## Who We Are...

NAWDP was founded to provide professional development and representation to individuals at all levels, all occupations and specialties, and all programs of the workforce development field. Some of our members work in One Stop Career Centers, Public Agencies, Educational Institutions, Correctional Facilities, Faith & Community Based Organizations, Welfare Agencies, Workforce Investment Boards and Economic Development Agencies.

As a NAWDP Member, you receive unique benefits to enhance your career such as:

- ◆ **Nationally Recognized Credentialing**
- ◆ **The Latest Legislative Updates, Issue Briefs, and Advocacy Materials**
- ◆ **The Ability to have Articles Published on a Nationwide Basis**
- ◆ **AND MUCH MORE!!**

The more individuals that form NAWDP's membership, the more opportunities we have to reach those communities that have gone untouched, without a voice. To thrive in this emerging profession, you need networking, information exchange, and career development opportunities.
